

Balloon Fest and Air Show Volunteer Opportunities

6:30 AM – 9:00 AM Balloon Launch / Balloon Glow 6:30 PM - 9:30 PM: Saturday, March 29th

Each pilot launching a balloon for this event requires about 4 crew members. The primary responsibility of the crew volunteer is to help set up the balloon, provide the pilot with ground support during the launch, participate as a member of the chase crew, then return that evening to assist with the Balloon Glow. (Approximate total volunteers needed 25-40) There will be a very brief orientation for all crew members so that you get to know your pilots prior to launch on Saturday. Details on the orientation will follow, but it will tentatively be held Friday evening.

The balloon crew volunteers will receive an invitation to the Friday evening Pilot Meet & Greet party, will receive a complimentary Pre-Glow dinner, and will receive complimentary tickets to the Air Show.

Balloon Crew members must be at least 16 years old. No exceptions.

Please contact Dee Ann Geeslin 751-7414 to volunteer or ask questions
