7th Annual Georgia European Union Summit

Macon, GA---The Cherry Blossom Festival is honored to present the 7th Annual Georgia European Union Summit. We have an exciting evening planned with Ken Stewart, Commissioner of the Georgia Department of Economic Development as the keynote speaker. This year's Summit will take place at 5:30PM on Thursday, November 8, 2007 at the Idle Hour Club in Macon, Georgia and includes a cocktail hour with a silent auction followed by dinner. **Individual tickets are \$150.00 per person.**

The Annual Georgia European Union Summit, established in 2001 by Honorary Consul for the Kingdom of Denmark, Chris Smith, attracts over 200 business leaders, consular and trade dignitaries in a celebration of the growing business and commercial relationships between Georgia, the European Union and other nations represented in Georgia by consular and trade offices. This year, in collaboration with the Georgia Department of Economic Development, The Annual Georgia European Union Summit is particularly delighted to showcase the first Annual Georgia Featured Export Product Award. This award will honor the small or medium sized company with the most potential for creating employment in Georgia through the export of a unique product produced in Georgia. We anticipate this event will further provide an opportunity for sponsors and guest of honor alike to strengthen the ties between the consular and international trade community, thus opening a wider business and economic view.

For tickets or any questions, please contact Lydia Moss at (478) 751-7270 or send her an email at lmoss@cherryblossom.com.
