

2011 Cherry Blossom Festival Sanctioned Event Contract

Each year, the Cherry Blossom Festival offers numerous activities for participants of all ages. Several of our events are not produced in-house, but are planned and financed by other organizations who desire to connect their event with the Festival. These events, deemed *Sanctioned Events*, are connected with the Festival due to the proven success, high participant attendance and world-renowned reputation earned by the Festival.

On average, the Festival attracts 300,000 participants from around the world to Middle Georgia each year. The 29th annual Festival will take place March 18 - 27, 2011. As an Official Sanctioned Event of the Cherry Blossom Festival, your organization's name will be associated with a Top 20 Event in the Southeast, Top 50 Event in America, and Top 100 Event in North America.
